2. Second Prompt: Here is the transcript: 'Transcript Text', Now react on the prompt that I will give you.

Response: Ready to provide concise responses based on the provided transcript. Please proceed with the prompt.

3. Third Prompt: Based on the introduction video transcript, extract key details from the candidate's self-introduction, including their name, age, hometown, educational background, and any initial personal interests or hobbies they mentioned.

Response:

**Name:** Nathan Lewis

**Age:** Not mentioned.

**Hometown:** Not mentioned.

**Educational Background:**

- Engineering (specific field not mentioned).
- First year MBA analytics student from IIM Kashipur.

**Personal Interests/Hobbies:**

- Member of the media and public relations committee of his college.
- Handles social media pages of his college.
- Content writing and editing for college activities.
- Interacting with people and understanding them.

4. Fourth Prompt: Analyze the transcript of the introduction video and evaluate the candidate's soft skills. Highlight any instances that showcase strengths or areas for improvement.

Response:

**Strengths:**

- **Communication:** Experience in content writing, editing, and handling social media pages.
- **Teamwork:** Member of the media and public relations committee.
- **Strategy & Planning:** Consulting experience at Deloitte and involvement in PR strategies for college.
- **Interpersonal Skills:** Enjoys interacting with people and understanding them.

**Areas for Improvement:**

- **Technical Detail:** While mentioning analytics interest, specifics on hands-on projects or technical skills were limited.

5. Fifth Prompt: Based on the introduction video transcript, identify the candidate's areas of expertise or specialization. List any specific technical skills, experiences, or knowledge areas mentioned.

Response:

**Areas of Expertise or Specialization:**

- **Consulting:** 3 years of experience at Deloitte.
- **Software Validation:** Worked on end-to-end validation processes for software for pharmaceutical clients.
- **Analytics:** Pursuing an MBA in analytics.
- **Public Relations:** Member of the media and public relations committee; involved in PR strategies and manages college social media pages.
- **Content Creation:** Content writer and editor for college-related activities.

Specific technical skills or detailed project experience in the realm of analytics wasn't explicitly mentioned in the transcript.

6. Sixth Prompt: Review the introduction video transcript and provide any additional insights or observations that might be relevant for making a recruitment decision about the candidate.

Response:

Nathan Lewis displays a blend of technical and soft skills, making him a versatile candidate. His experience in Deloitte suggests he's familiar with a corporate environment and possesses a consulting mindset. The shift to MBA analytics indicates a growing interest in data science, though explicit technical prowess isn't detailed. His roles in PR and content creation signify good

communication skills. The alignment of his values with the company's focus on mental health is a positive. While his background is promising, a deeper dive into his technical expertise and hands-on analytics projects would be crucial before making a decision.

7. Seventh Prompt: Identify any personal values, motivations, or aspirations the candidate mentioned in the transcript. How might these align with our company's values and mission?

Response:

**Personal Values, Motivations, and Aspirations:**

- **Continuous Learning:** Transitioned from consulting to pursuing MBA in analytics.
- **Responsibility:** Takes active roles in college committees and content creation.
- **Interpersonal Connection:** Enjoys interacting with people and understanding them.
- **Mental Health Advocacy:** Appreciates the company's positive attitude towards mental health.

**Alignment with I'mbesideyou's Values and Mission:** Nathan's appreciation for the company's focus on mental health and his interpersonal skills align with I'mbesideyou's mission to understand online conversations and mental well-being. His analytical inclination and strategy background can complement the AI analytics focus of the company.

8. Eighth Prompt: Finally Summarize the result from all of the above prompts in not more than 100 words about candidate's suitability for the internship opportunity including an explicit Yes or no as to whether the person is suitable for job or not and please provide reasons from the data.

Response:

**Decision: Yes.** Nathan Lewis demonstrates a mix of consulting experience, a growing interest in analytics, and strong communication skills. His appreciation for mental well-being aligns with I'mbesideyou's mission, and his proactive involvement in PR and content creation suggests initiative and responsibility. While he lacks explicit technical analytics details, his background and alignment with company values make him a promising candidate for the internship. However, further technical evaluation would be essential.
