

# CHATGPT RESPONSES:

1. First Prompt: Assume the role of a Hiring Manager hiring for a role of Data Scientist Intern in a company called I'mbesideyou which is a company specializing in AI analytics for online conversation and which also focuses on Overall Mental Well Being of people by bringing solutions through cutting edge technology of AI and Machine Learning and this time be concise with your answers.

Response: Understood. Please provide the information or questions about the candidate, and I'll respond concisely.

2. Second Prompt: Here is the transcript: 'Transcript Text' , Now react on the prompt that I will give you.

Response: Of course. Please provide the prompt, and I'll respond concisely.

3. Third Prompt: Based on the introduction video transcript, extract key details from the candidate's self-introduction, including their name, age, hometown, educational background, and any initial personal interests or hobbies they mentioned.

Response:

**Name:** Jeffrey Shepherd

**Age:** Not mentioned.

**Hometown:** Not mentioned.

**Educational Background:**

- B.Tech in Biotechnology, Heritage Institute of Technology, Kolkata.
- M.Tech from IIT Kharagpur.
- Postgraduate and management from IIM Coimbatore.

**Personal Interests/Hobbies:**

- Baking and experimenting with traditional recipes.
- Traveling, exploring new places, and experiencing different cultures.

4. Fourth Prompt: Analyze the transcript of the introduction video and evaluate the candidate's soft skills. Highlight any instances that showcase strengths or areas for improvement.

Response:

**Strengths:**

1. **Attention to Detail:** Mentioned multiple times; supported by research, patents, and publications.
2. **Consistency and Perseverance:** Highlighted through academic achievements and professional growth.
3. **Problem-solving:** Emphasized by viewing problems from various angles and analyzing them.
4. **Communication:** Structured and clear self-introduction.

**Areas for Improvement:**

1. **Relevance:** Needs to better connect past experiences to the desired role.
2. **Repetition:** Attention to detail mentioned twice; could be more concise.

5. Fifth Prompt: Based on the introduction video transcript, identify the candidate's areas of expertise or specialization. List any specific technical skills, experiences, or knowledge areas mentioned.

Response:

**Areas of Expertise or Specialization:**

1. **Biotechnology:** B.Tech and M.Tech in Biotechnology.
2. **Regulatory Affairs:** Three years in the pharmaceutical industry's regulatory domain.
3. **Medical Writing:** Experience at Ciro Klein Farm, Mumbai.
4. **Drug Safety and Risk Management:** Specialized in this area during his stint as a medical writer.
5. **Research:** Supported by patents, publications, and an award at IIT Kharagpur.

6. Sixth Prompt: Review the introduction video transcript and provide any additional insights or observations that might be relevant for making a recruitment decision about the candidate.

Response:

Jeffrey has a diverse background, combining biotechnology, pharmaceuticals, and management. He's achieved recognition through patents and awards, indicating excellence. His hobbies

suggest creativity and open-mindedness. However, he hasn't mentioned specific data science or AI skills. While he has potential, his fit for a Data Scientist Intern role, especially in AI analytics for online conversations, needs further evaluation.

7. Seventh Prompt: Identify any personal values, motivations, or aspirations the candidate mentioned in the transcript. How might these align with our company's values and mission?

Response:

**Personal Values and Motivations:**

1. **Consistency and Perseverance:** Demonstrated through academics and professional growth.
2. **Attention to Detail:** Emphasized in work and research.
3. **Creativity and Passion:** Shown through baking and travel interests.
4. **Open-mindedness:** Interest in diverse cultures and experiences.

**Alignment with I'mbesideyou's Mission:** Jeffrey's consistency and attention to detail align with the precision needed in AI analytics. His creativity and open-mindedness resonate with a company that values innovation and understanding diverse user needs in online conversations and mental well-being.

8. Eighth Prompt: Finally Summarize the result from all of the above prompts in not more than 100 words about candidate's suitability for the internship opportunity including an explicit Yes or no as to whether the person is suitable for job or not and please provide reasons from the data.

Response:

**Decision: No.** While Jeffrey showcases strong soft skills, attention to detail, and a diverse background, he lacks explicit mention of data science or AI experience. His values align with I'mbesideyou's mission, but the absence of direct technical skills raises concerns about his immediate fit for the Data Scientist Intern role. Further evaluation would be beneficial before a final decision.
